### **Information about the ICU Green Course (Safety Rules Workshops):**

Due to increased adoption of the ICU and ECU safety rules on the national level as well as for open international and even commercial competitions, the understanding and consistent interpretation of those rules has become one of the most important requirements for national rules bodies, safety judges and of course coaches. ICU is supporting these trainings by providing **top experts**, who are directly involved in the creation and interpretation of these rules to deliver the safety rules workshops.

The **preliminary schedules** of the safety rules workshops are attached below.<sup>1</sup> However, actual breaks will be made based on the progress of the workshops. Food and drinks will be provided to all participants during the breaks, including lunch.

### **Participation:**

Only **ECU Member Federations** may register participants for the ICU Green Courses. The course aims at rules experts, safety judges and coaches. The number of participants per ECU Member Federation is generally not limited.<sup>2</sup>

<sup>1</sup> ECU reserves the right to alter the schedule without prior notice or consent of participants.

<sup>2</sup> ECU reserves the right to restrict the number of participants per ECU Member Federation in case of necessity due to the maximum capacity of the event.

## Information about the ECU Rules Round Table:

Participation in the **ECU Rules Round Table** is open only to ECU Member Federations, and will be limited to a maximum of **two (2) participants** per ECU Member. It is our suggestion that those two representatives be one from the field of cheerleading and one from the field of performance cheer and that they be members of the national rules body (who prepares your national competition rules and answers legality and safety questions from your teams). Participation at the ECU Rules Round Table will be available **free of charge** to eligible participants.

## Costs:

The following listed **attendance fees** are for one (1) person to attend one (1) training (either cheerleading or performance cheer) according to the schedule. They include food and drinks provided during that training.

Attendance fee for one (1) person to attend both the cheerleading and the performance cheer training is double (260 EUR).

<b>Prices per person per workshop:</b>	<b>150,00 EUR</b>

**Cancellations** and changes to the applications are **not possible** and the applicant is committed to paying the attendance fees invoiced by the ECU.

**Accommodation** will be the **individual responsibility** of the participants, and bookings have to be made directly with the hotel (see above). When doing your booking, please state that you will be attending the event "ECU Rules Conference". Please also bear in mind that rooms at the conference hotel could be of limited availability.
