Subject: ECU Development Fund – Offer to co-fund Ljubljana's recertification course

Dear judges,
Dear ECU members,

It has now been several years that the ECU has established a development fund to help its members grow the sport of cheer in Europe. Several workshops and trainings have been held with the help of this fund.

The ECU Development fund now offers the opportunity to help out all European judges. Any judge permanently residing in Europe attending the Ljubljana recertification course in April can get their attendance fee co-financed.

Eligibility conditions:

Any judge affiliated with an ECU member

Funds:

All registrations to the Ljubljana ICU recertification course will be co-financed in the amount of EUR 50,00 (upon presented invoice). Depending on participation, additional financial support may be available after the successful completion of the course (this will be communicated separately).
