Possible cancellation must be made in writing or electronically to organizing club and it needs to be two (2) weeks before competitions or registration date. Cancellation can be done without fee until the end of registration date. Cancellation 14-30 days before competition: 50% participation fee. Cancellation under 14-days before competition: 100% participation fee – no refund.

If the competition will be cancelled in cases beyond the organizer's control (for example pandemic, war, or walkout which the organizer cannot predict) the participation fees will not be refunded, or possible damages caused by cancellation will not be compensated.

ANTI-DOPING JA EXEMPTION

The athlete should always primarily ask the doctor for treatment in accordance with the permitted substances. If there is no permitted medication available for maintaining health or treating an illness, an exemption for the medication can be applied for.

Athletes outside FINCIS's sport-specific level definition do not need to apply for exemption in advance. After a possible doping test, they must apply for exemption retroactively to demonstrate that there were medical grounds for the use of prohibited substances or methods required to grant exemption.

Applying for exemption is the athlete's own responsibility.

For questions related to anti-doping, you can contact the federation's office (office@scl.fi) or directly to FINCIS.

COMPETITION RULES & JUDGING FORMS

The competition rules and judging forms used in the competition are the ones administered by the European Cheer Union and Finnish Cheerleading Federation.

They can be found on the website of ECU (https://www.cheerunion.eu/wp-content/uploads/2023/03/2023_ECU_competition_rulebook.pdf) and FCF (age limits) (<https://scl.fi/kilpailutoiminta/kilpailusaannot/>). They are also attached to this invitation.

We hope that the coaches of the teams will ensure that the programs are performed according to the rules of ECU & FCF in good time before the competition.

SAFETY

We recommend clubs and teams to only include skills and elements they are sure to perform safely in their performance.

The aim is to guarantee a safe environment for the people participating in the event. We require that everyone participates in the event only in good health.

The prevailing situation is taken into account and authorities' guidelines are followed when organizing the event. If the competition needs to be canceled or adjusted due to official regulations, the FCF and the organizing club reserves the right to modify or cancel the competition.

SIZE OF PERFORMANCE AREA

The size of the competition area is 14 m (L) x 16 m (W). Illustrative images of the competition platforms below. You can see the location of the lines and central mark in the pictures. The base of the cheer series is a safety mat, the base of the dance series is a rubberized surface coating.

MUSIC

The team's music must be emailed to kilpailut@jaguarscheer.com by **10.5**. Please make sure that you send the correct music and that the file is named correctly like this: CLUB/TEAM.

A person representing an external service provider is responsible for the operation of the soundsystem. The music is played from the arena level and a team representative must come to the music station for the duration of the performance. All musics are checked by the service providers beforehand.

You must also be prepared to play the music at the competition venue yourself just in case. We recommend having the music stored on your phone with you. Please take care of your own adapters if your phone has a less common connection.

WARM UP AND WARM DOWN

Warm up and warm down happens in Hipposhalli next to and behind the performance area. There are also mats in the warm up area. No reservations need to be made for the warm up in the area.

We offer a possibility to book a warm up time from JSA Cheer Gym. JSA Cheer Gym is located a 12-minute drive away from the competition venue. There are three cheer mat areas bookable in the Gym. The price of booking is 60€/hour/areas. Warm up- slots are reserved on a first-come, first-served basis. Inquiries and questions: toimisto@jaguarscheer.com

We expect fair sportmanship and good manners among teams in the warm-up area. If a member of a team (including competitor, substitute, spotter, coach or guardian) behaves inappropriately, the whole team's warm up can be suspended by the organizer.
