| | |
|---------------------|---|
| Medical examination | All competitors participating in the Belgrade Cheer Open "Trofej Voždovca 2024" they compete on their own health responsibility and the responsibility of the clubs and associations that registered them. We have a "Sport Medico" sport doctor on duty at the competition. |
|---------------------|---|

At the competition Belgrade Cheer Open "Trofej Voždovca 2024"

all interested athletes, clubs, associations, etc. can participate. regardless of level physical fitness (beginner, advanced, competitive) and all age.

Time limits

We ask coaches and choreographers to respect the time limits of the choreography.

Timing in all categories begins with the first choreographic movement or the first note of music and ends with the last choreographed movement or note of music, whichever is the last.

If the competitive team (production, formation, group, double, individual) exceeds the maximum time limit, the head judge will deduct points or disqualify if necessary.

Competitors check-outs

After the application of the competitors on November 9th 2024 the organizer of the competition can tolerate up to three person cancellations for each club. All over the specified number, competitors who canceled their participation are obliged to pay 100% of the registration fee of the total number of registered choreographies.

Offers

We can organize accommodation, food, transportation from the airport to the hotel and sports hall, as well as a tour of Belgrade. If you are interested in any of the above, let us know as soon as possible so that we can reserve everything in time. Write what you need and for how many person, and we will send you offers.
